THE Muluerindie Memo

from

BENDEMEER PUBLIC SCHOOL

A LITTLE SCHOOL DOING BIG THINGS

CWA Country of Study Presentations

Each year, CWA branches across Australia partake in a study of a different country. This year's Country Of Study was Papua New Guinea (PNG).

Students of Bendemeer Public School undertook research projects on PNG and created posters or PowerPoint presentations of their findings.

The Bendemeer CWA branch invited Bendemeer Public School students to join them for a luncheon and country of study presentation last Thursday 12 September. Students presented a collaboratively constructed powerpoint, taking turns at reading, before enjoying a fabulous lunch provided by the ladies.

A special mention to Jayden Donnelly, who with little notice, agreed to present his own PowerPoint presentation research project.

Thank you to the CWA ladies for this opportunity and for your continued support of Bendemeer Public School.

More to come!

We will hand out many more Respect, Cooperate and Strive awards at our awards assembly on Thursday 26 September

NOTICE BOARD

Enrol Now for Kindergarten in 2019!

Kindergarten transition days begin soon! On every Wednesday on weeks 1 to 6 in Term 4, we will be holding preschool transition sessions from 8:45 to 11:15.

Please bring in your enrolment forms before the end of this term. If you require assistance, one of our school staff will be able to assist you in filling out the paperwork.

A reminder that on our first transition day, parents are invited to attend a parent information and question/answer session with our principal, Mrs Krystal Magann.

Tamworth High School Visit

A reminder that on Friday 20 September, students will go to Tamworth High School for the day to participate in science activities and watch their 2019 musical production.

Students need to be at school at 8:30 in best school uniform with hat, water, fruit, recess and lunch.

Help us celebrate the term's achievements at our

Term 3 Awards Assembly

Thursday 26 September at 2:30pm

Bendemeer Public School

Parking

Please remember that parking in front of our school gates is not permitted.

This is for student safety.

Painting the Cubby

Students had a fun day on Thursday 5 September, when they were each given the opportunity to contribute in painting the cubby house.

Students helped choose the colours in the upcoming weeks and decided on a design. Mr Robertson led small groups of 2 or 3 students at a time, teaching them the art of painting. With *just a few touch ups* by Mr Robertson, and the installation of some old carpet and a play kitchen, the cubby is now finally finished and ready for play.

Electricity Safety Week

Representatives from Essential Energy paid a visit to Bendemeer Public School students on Thursday 5 September to highlight the importance of being safe and smart around electricity, as part of Electricity Safety Week.

Electricity Safety Week raises awareness of the hazards associated with electricity and teaches students how to be safe around electricity. Essential Energy also left us with some resources for our teachers, and also some take home items for the students.

The presentation was engaging and informative, with lots of questions answered.

Musica Viva

Musica Viva In Schools has been bringing the very best live music to Australian schools for over 35 years and is one of the leading providers of music education in Australia.

We were lucky enough to attend a Musica Viva performance at the Tamworth Regional Conservatorium of Music last Monday.

The performance was named Zeeko and was innovative and creative, making use of everyday items like glass bottles and squeaky toys to make their music. Students were encouraged to participate actively when singing along, by using their bodies as percussion instruments. The performers explained how they use their instruments in novel ways to create an environmental 'soundscape'.
