P&C Meeting

Next meeting will be postponed until further notice. Thank you.

1st June 2020

from **BENDEMEER PUBLIC SCHOOL**

A LITTLE SCHOOL DOING BIG THINGS

From the Principal...

Wow!!

I do not have words to express the joy that has been felt in our school this week. The laughter has been contagious, the tears have been few and the smiles have been wide. The students have enjoyed being with their friends again playing, sharing stories and getting back into our learning routines.

I can not thank each of our families enough for the past 2 months. The support you have provided your children over this time is to be commended. This week the students have heard the pride in my voice as I have spoken about the bravery it took adults, and some students, to call the school to ask for help with the learning packs.

Although our staff have had their own children at home with this pandemic, as our school leader, I would like to acknowledge and thank each of them for the time, focus and dedication they have shown toward the children and families of our school. Our school has a great team and we all play a part in that team – I can't do my job without them!

This week the students have each been interviewed about their time learning at home and each of them have acknowledge the support their adults have provided them with. They have returned to school confident, focussed and on par with their learning for this time of the year. One very clever little person said to me **"When I showed respect, I got respect"** – how powerful!

Happy Reading!

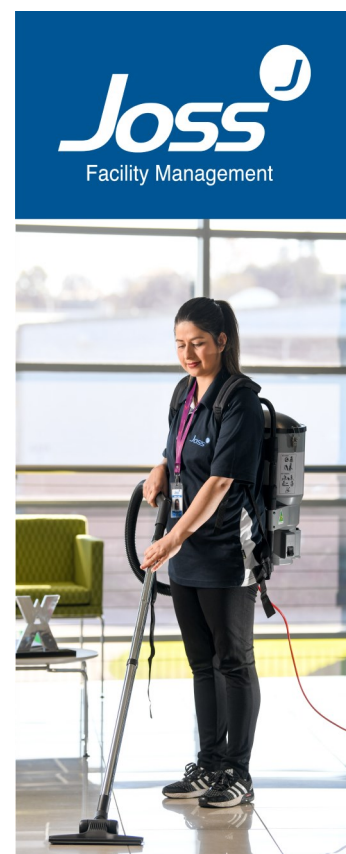

Mrs Magann

Welcome Duchess!

The transition of back to school has been eased with our latest Bendemeer Public School family member, Duchess!

Duchess has already imprinted on the student's hearts with smiles wide as they enter the gate each morning to see her. The responsibilities of having a pet at school are huge, but each student has embraced these positively.

She has provided comfort for those that are feeling the pressures of being back at school and a source of fun in the playground. Although we are still working on the toilet training, Duchess is doing very well for just 9 weeks old in her big new family!

CLEANERS REQUIRED

Joss Facility Management are looking for cleaning staff to work at local Government sites across regional NSW.

PPE, Training and Uniforms provided.

Applicants need to provide a valid Working With Children Check upon application and successful applicants will be required to undertake a pre-employment medical prior to commencement.

ALL lunch orders are required to be dropped to school and put in the lunch order box (located in the office) by Tuesday mornings at the latest. Any orders after this time will unfortunately not be accepted.

Beez Kneez Café is continuing to operate with take aways through these challenging times of uncertainty. Please continue to help us support our local businesses.

With everyone back at school, why not continue the important skill of reading at home with the MS Readathon. MS Readathon is a wonderful way to get your children loving to read while also raising funds to support kids and families living with multiple sclerosis.

The rules are simple. Kids can read whatever they like, as much as they can throughout August. If you would like your child to participate in the MS Readathon individually, you can register your child's interest at:

www.msreadathon.org.au/register-interest-2020

First week back celebrations!

On Friday 29 May we celebrated the student first week back at school, with a BBQ lunch.

We were really excited when families happened to be in the neighbourhood, smelt the sausages and decided to join us. It was fabulous to laugh with the families, as they recalled funny stories of their at home learning experiences.

For those who happened to not be driving by, we look forward to caching up with you soon when further restrictions are lifted!

At home & classroom

We would also like to take this opportunity to congratulate all our families for your wonderful support of your children's learning during these last few difficult weeks. It is so great seeing them back at school with their big smiling faces on - ready to learn!

Our teachers worked tirelessly, even during their holidays, putting the students home learning packs and resources together and we are so proud of what they achieved. The work they put in was enormous in such a short time, and the end results have been nothing short of amazing, so well done Teachers!

What we have most enjoyed from this difficult time, is when students emailed or text pictures of their learning through to Mrs Magann. All staff would crowd around Mrs Magann's computer (with social distancing in mind of course) and smile at all the wonderful photos coming in - We are so proud of you all! So we thought we would put some together in a collage for everyone to see!

From Bendemeer Support Staff,

Mrs Boyd & Mrs Cook.
