Thank you from Mrs. Hazlewood

I would like to thank the community, parents, carers, staff and students for all their support over the last four years.

I have thoroughly enjoyed my time here at Bendemeer Public School. I am very passionate about teaching and love watching the children grow and develop into the best versions of themselves. I will miss the collegiality of the staff and the childrens' smiling faces. I wish Mrs Harris and her team all the best for 2025.

Message to our School Community

The department has advised us there will be NO "Share my space" these holidays at Bendemeer School. We are sorry for any inconvenience.

Please do not hesitate to contact us via the Bendemeer Public Schools Facebook page, phone or email if you have queries regarding anything to do with school activities.

We wish everyone a very safe and Merry Christmas and a Happy New Year!

To Students, Parents and Families.

I'm writing this letter saying that as of the end of this current school year Kaigan Kan Karate will not continue into the next school year. With number dwindling and cost of living rising the decision has been made to close the Bendemeer club.

I would like to openly thank all the people that have made the club what it was. I can't thank you enough for everything, for those that are still looking to continue classes will still be happening at Kootingal on Monday nights from 6-7pm.

As you Instructor I am extremely proud of all you guys have achieved and to have been a part of your journey. I thank you guys.

Yours Sincerely

Sensei Josh

To Tilly, Heidi and Aidan F who will all celebrate their birthdays in the holidays!
